

# Great Value for your Small Business

The Syspine **All-In-One IP-PBX P406 / P806 packages** truly fit your communications needs.

**YOU WIN**  
Every package is a complete IP-PBX communications system and provides significant savings.  
**Act now!**

Promotion valid from April 15<sup>th</sup> 2009 to June 30<sup>th</sup> 2009.

Syspine All-In-One P406/P806 packages contain a 4 or 8 line DOS-A50 base unit and 6ea. 310M IP phones. The system is license free and ready to grow to 50 IP phones. Both 4 and 8 PSTN line system packages are ready to accept ISTP/SIP Trunk services which can help your business save money and grow. The system is full of sophisticated, easy to use IP-PBX features from Microsoft. Syspine packages provide savings and make it easy and simple to get started with a complete Response Point system.

✓ **Save Time –**

Easy to follow configuration wizards help guide you in using powerful Response Point features. Features that combine your phone and PC to save time and make you more efficient. Upload contacts, click to call from your PC, incoming call screen pops, busy station status, and phone feature activation all integrated with your IP phone and PC.

✓ **Save Money –**

Your savings grow even after your 6 phone package purchase. The Syspine IP-PBX is license free, adding employees and features won't add costs other than hardware. The system is ready for VoIP line services from a VoIP service provider, savings continue to grow as you use IP/SIP trunking technology to reduce your business communication costs.

✓ **Save Frustration –**

At the push of the blue button you unleash the power of the Response Point speech recognition. You simply tell the phone what to do. Transfer, make a call, park a call, retrieve a call, page, intercom, and more...all by telling the phone what to do. No more complicated buttons, flashing lights, and hard to use feature codes. The power of an IP-PBX is now yours at a budget you can afford.

## Syspine "All-In-One" 6 phone IP-PBX packages

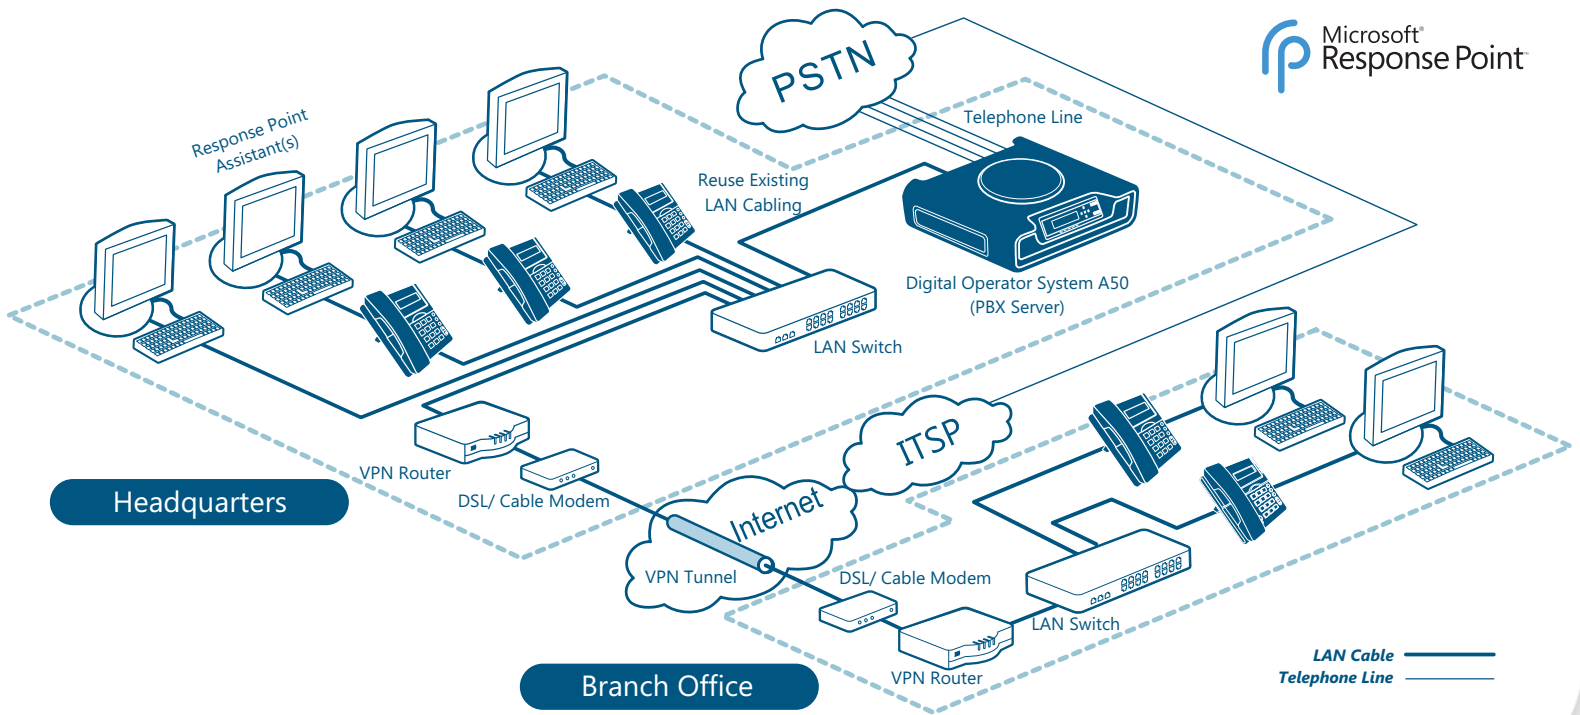

\*Promotional phones are subject to availability at time of shipment for all qualifying orders from participating Syspine distributors. Other promotional items excluded, no substitutions. Systems may be shipped with integrated Security Gateway at no extra charge and at manufacturer's sole option.
